

Peptic Ulcer Disease & Non-Ulcer Dyspepsia

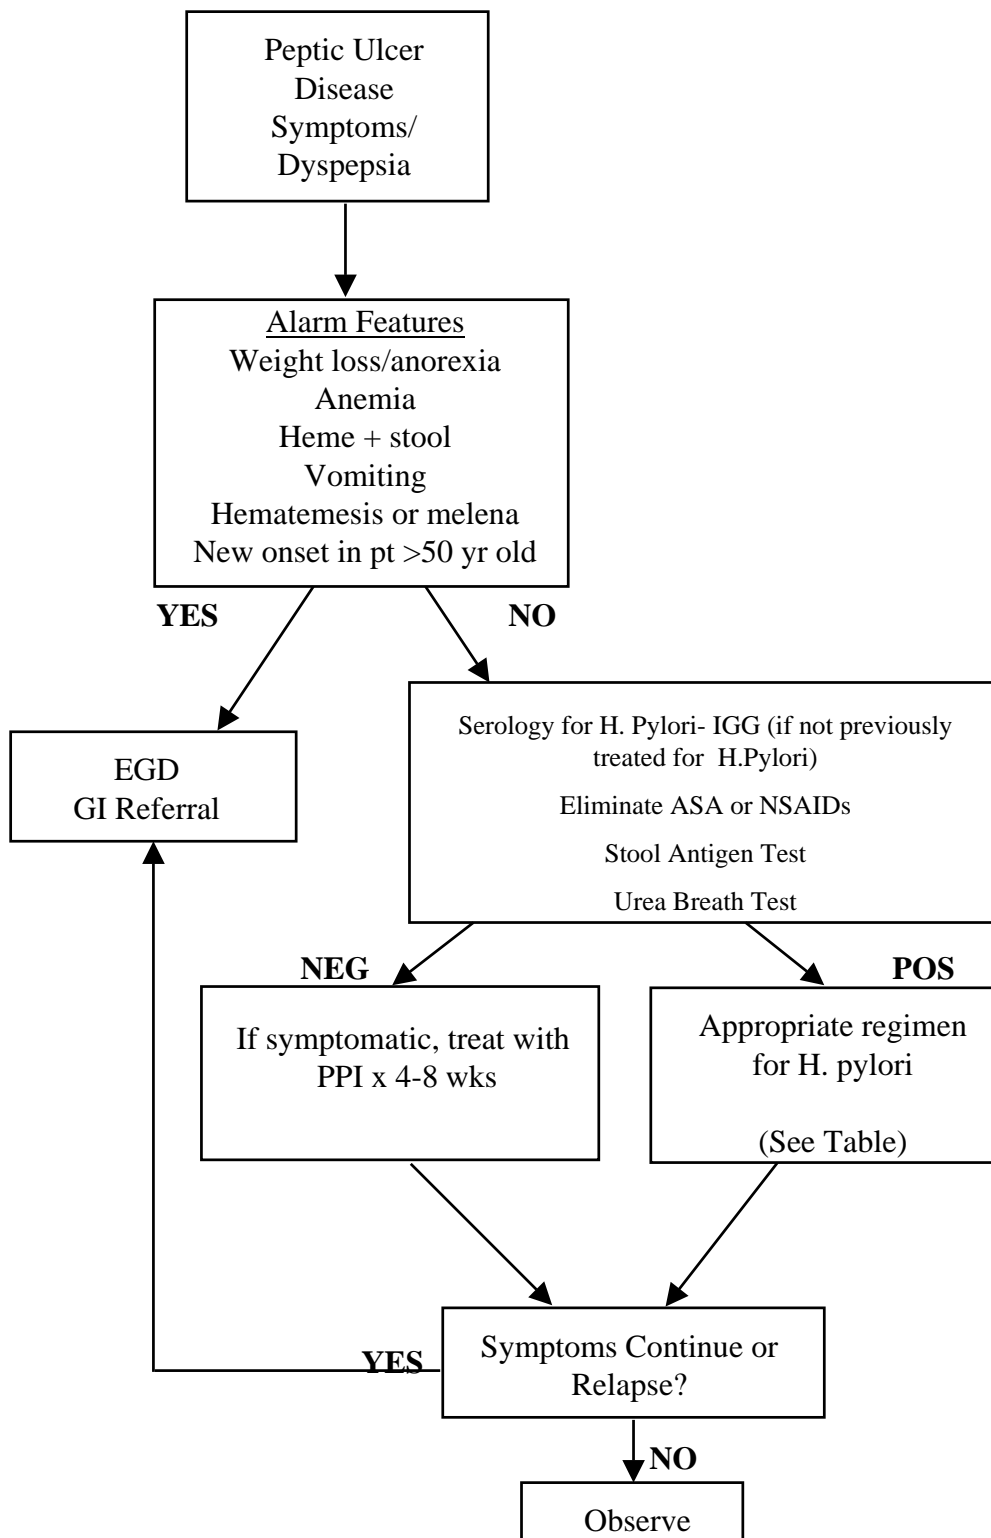

Guideline History

Date Approved	04/04, 03/06 , 03/08
Date Revised	04/02, 02/04, 02/08
Date Reviewed	
Next Review Date	03/10

These Guidelines are promulgated by Sentara Healthcare (SHC) as recommendations for the clinical management of specific conditions. Clinical data in a particular case may necessitate or permit deviation from these Guidelines. The SHC Guidelines are institutionally endorsed recommendations and are not intended as a substitute for clinical judgment.

PEPTIC ULCER DISEASE & NON-ULCER DYSPEPSIA

Testing for H. Pylori is also indicated for confirmed PUD not previously treated for H. Pylori
