

Optima eBroker quick guide

New Pivotal software to support multiple pharmacy options will be available May 5, the new software includes:

- Removal the ODR option from eBroker
- “Forms/Literature” button in eBroker will now bring you to “Employer Plans Summary of Benefits Documents” on optimahealth.com
- The “Product Line” report has been fixed so 5 plans show on each page and will go on to the 2nd or 3rd page with the headers and footers, the other reports were also adjusted to bring the columns and totals inline.
- Multiple Pharmacy options (on non-CHDP plans only)

The Multiple Pharmacy Options

The “Add Plans” page hasn’t changed (plans are now in a better order)

- Select your plans as you normally would and select "Next Step / Update Quote".

Next Step Cancel

Done Local intranet 100%

The next screen will display **“Checking for RX Benefits, please stand by.....”** .

If the plans you selected have Pharmacy Options you will see a page that looks like this: (**new screen**)

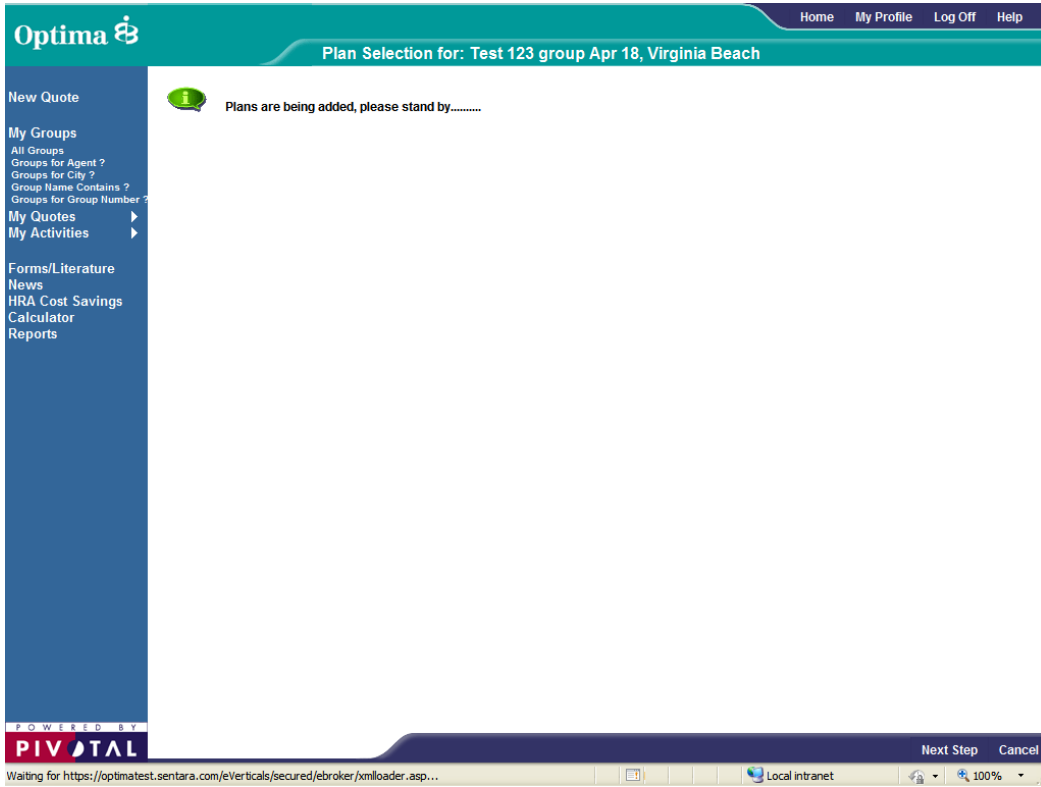

- The plan name will be displayed with the pharmacy options available. The core pharmacy option will be displayed in **bold** and is preselected. If you want only the default option, select "Next Step / Update Quote" **OR** check all the pharmacy options you want to present on the quote and select "Next Step / Update Quote".

The screenshot shows the Optima website interface. At the top, there is a navigation bar with 'Home', 'My Profile', 'Log Off', and 'Help'. Below this, a header indicates 'Plan Selection for: Test 123 group Apr 18, Virginia Beach'. On the left, there is a sidebar menu with options like 'New Quote', 'My Groups', 'My Quotes', and 'My Activities'. The main content area is titled 'Select Pharmacy Option' and contains a table with the following data:

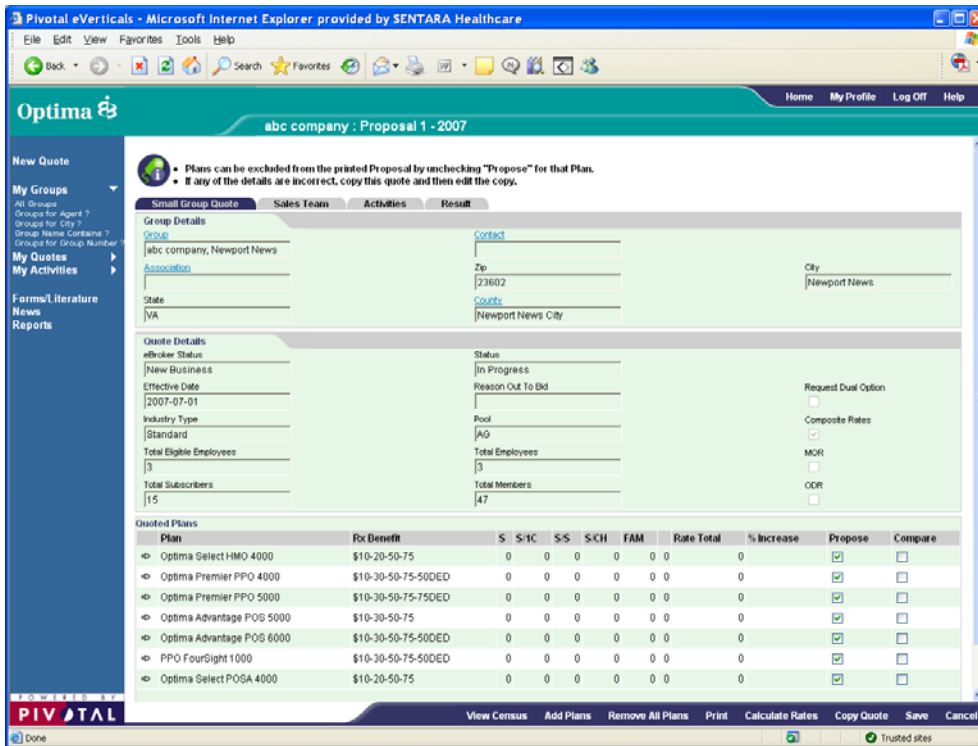

Selected Plan	Rx Benefits	Selected
Optima Vantage 10/20 (7/1/2011)	\$10-20-50-75	<input checked="" type="checkbox"/>
	\$10-30-50-75 w/\$150DED	<input type="checkbox"/>
Optima Vantage 10/25 (7/1/2011)	\$10-20-50-75	<input checked="" type="checkbox"/>
	\$10-30-50-75 w/\$150DED	<input type="checkbox"/>
Optima Vantage 20/80% (7/1/2011)	\$10-30-50-75	<input checked="" type="checkbox"/>
	\$10-30-50-75 w/\$150DED	<input type="checkbox"/>
Optima Vantage 25/70% (7/1/2011)	\$10-30-50-75 w/\$50DED	<input checked="" type="checkbox"/>
	\$10-20-50-75	<input type="checkbox"/>
	\$10-30-50-75 w/\$150DED	<input type="checkbox"/>

At the bottom of the page, there is a 'POWERED BY PIVOTAL' logo and a navigation bar with 'Next Step' and 'Cancel' buttons. The browser's address bar shows 'Local intranet' and the page is zoomed to 100%.

The next screen you will see will tell you: **“Plans are being added, please stand by.....”**

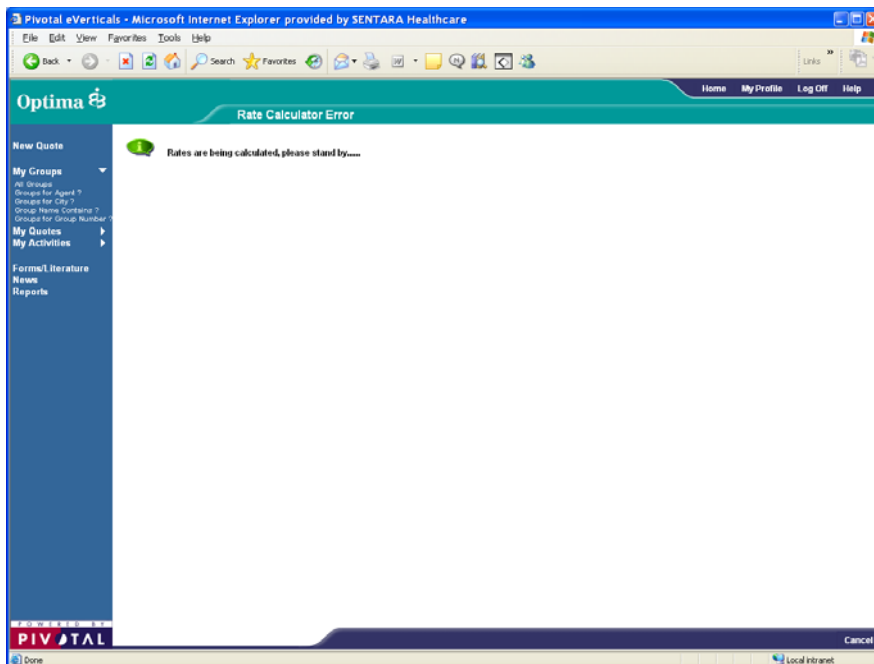

- Next you will see the Small Group Quote tab with all the plans and pharmacy option you selected.

Notice there are “zeros” for your rates- this is correct because there is another step needed to get your rates.

- Select the “**Calculate Rates**” button on this page and you will see this page telling you “Rates are being calculated, please stand by.....”.

You will now see the Small Group Quote tab with all your rates displayed.

abc company : Proposal 1 - 2007

Plans can be excluded from the printed Proposal by unchecking "Propose" for that Plan.
 If any of the details are incorrect, copy this quote and then edit the copy.

Proposal Report update

- The “product line” report has been redesigned so the report will now print over many pages if needed
- All other reports have been reformatted for additional clarity
