

Optima Health ®

**Provider and
Pharmacy Directory**

Optima Medicare (HMO)

Optima Medicare HMO Plan Provider Directory

This directory is current as of July 10, 2018.

This directory provides a list of Optima Health Medicare (HMO) current network providers.

This directory is for the following areas for the **2018** plan year: Chesapeake, Hampton, James City County, Newport News, Norfolk, Poquoson, Portsmouth, Suffolk, Virginia Beach, and Williamsburg.

To access the Optima Medicare (HMO) online provider directory, you can visit www.optimahealth.com/medicare. For any questions about the information contained in this directory (hardcopy or online), please call our Member Services Department at 1-800-927-6048, from October 1, 2017 – February 14, 2018, 7 days a week from 8:00 a.m. - 8:00 p.m. ET and from February 15, 2018 – September 30, 2018, Monday through Friday from 8:00 a.m. - 8:00 p.m. ET). TTY users should call VA Relay Services at 1-800-828-1140 or 711.

This information is available in a different format, including large print. Please call Member Services at the number listed above if you need information in another format.

Optima Medicare is an HMO with a Medicare contract. Enrollment in Optima Medicare depends on contract renewal.

The pharmacy network and/or provider network may change at any time. You will receive notice when necessary.

Section 1 – Introduction

The first part of this directory provides a list of Optima Medicare (HMO) network providers. Network pharmacies are included in the second part of this directory. To get detailed information about your health care coverage, please see your Evidence of Coverage.

You will have to choose one of our network providers listed in this directory to be your **Primary Care Provider (PCP)**. Generally, you must get your health care services from your PCP. You need to choose your PCP from the list of family medicine, internal medicine, and geriatric medicine physicians in this directory.

Your PCP will serve as the team leader for all your health care needs. A member of your PCP's team will work with you to complete an initial health assessment so your PCP can develop a personalized care plan for you. This care plan may include routine health screenings, annual wellness exams, and other preventive care services.

When needed, your PCP, or other members of your primary care team, will coordinate care with the right specialists and hospitals – and work with them to keep you healthy and improve your quality of life. You will not be expected to navigate the system on your own – your primary care team will be your advocate and help you see the plan specialist or get the service you need, when and where you need it. This team-based and coordinated approach makes sure you receive the best possible care.

Although you do not need a referral from your PCP to go to a plan specialist, he/she will be able to recommend one to you. After you see the plan specialist, he/she normally sends a report to your PCP so your PCP knows about your medical care. If your PCP or plan specialist recommends that you have a procedure, test, or surgery that needs prior authorization from Optima Medicare (HMO), he/she will contact us for authorization.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory. If you want to change your PCP or specialist, you can. Please call us if you want to change your PCP or need help finding a new one. Our phone number is on the cover of this directory.

This directory includes our network hospitals where you can go for emergency care and post-stabilization care when you are in our service area. The service area can be found on the next page of this directory. You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis. If you obtain routine care from out-of-network providers, neither Medicare nor Optima Medicare (HMO) will be responsible for the costs. If you receive emergency, urgent care or dialysis services from a non-plan provider while out of the service area (our service area is on the next page), ask the provider to submit the bill to Optima Medicare (HMO). If the non-network provider sends the bill to you, please send it to us. We will determine if you owe anything to the provider. Do not pay the bill until you receive a notice from us. If you already paid for the covered services, we will reimburse you for our share of the cost.

We will pay the provider for our share of the bill and will let you know if you owe anything. Our address is:

Optima Medicare (HMO)
4417 Corporation Lane
Virginia Beach, VA 23462

What is the service area for Optima Medicare (HMO)?

The cities/counties in our service area for the **2018** plan year are: Chesapeake, Hampton, James City County, Newport News, Norfolk, Poquoson, Portsmouth, Suffolk, Virginia Beach, and Williamsburg.

How do you find Optima Medicare (HMO) providers in your area?

This provider directory lists providers by specialty, city/county, and then alphabetically to help you easily find a provider whose office is located near your home, work, or another location convenient to you. For easy reference, an alphabetical listing of all providers is included in the Index at the back of this directory.

If you have questions about Optima Medicare or require assistance in selecting a PCP, please call our Member Services Department at 1-800-927-6048, from October 1, 2017 – February 14, 2018, 7 days a week from 8:00 a.m. - 8:00 p.m. ET and from February 15, 2018 – September 30, 2018, Monday through Friday from 8:00 a.m. - 8:00 p.m. ET). TTY users should contact us through VA Relay Services at 1-800-828-1140 or 711. You can also visit www.optimahealth.com/medicare.

Optima Medicare HMO 2018 Pharmacy Directory

This pharmacy directory was updated on July 10, 2018.

For more recent information or other questions, please contact Optima Medicare Member Services at 1-800-927-6048, or for TTY users, 1-800-828-1140 or 711 (October 1, 2017 – February 14, 2018, 7 days a week from 8:00 a.m. - 8:00 p.m. ET; February 15, 2018 – September 30, 2018, Monday through Friday from 8:00 a.m. - 8:00 p.m. ET) or visit www.optimahealth.com/medicare.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at optimahealth.com/medicare. You may also call Member Services for updated provider information.

Introduction

This booklet provides a list of Optima Medicare HMO's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Optima Medicare HMO's formulary.

When this pharmacy directory refers to "we," "us", or "our," it means Optima Medicare. When it refers to "plan" or "our plan," it means Optima Medicare Prime or Optima Medicare Value.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Optima Medicare only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of July 10, 2018. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called OptumRx. For more information, please contact us or see the mail order section of this pharmacy directory.

We also list pharmacies that are in our network but are outside Chesapeake, Hampton, James City, Newport News, Norfolk, Poquoson, Portsmouth, Suffolk, Virginia Beach, and Williamsburg, the area in which you live. You may also fill your prescriptions at these pharmacies. For more information, please see the section in this pharmacy directory on Chain Pharmacy Services.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact Optima Medicare.

Mail Order Pharmacy

You can get prescription drugs shipped to your home through our network mail order delivery program which is called OptumRx. To get order forms and information about filling your prescriptions by mail, please call Member Services at 1-844-672-2306 or for TTY users, 1-800-828-1140 or 711. You can also print the order form from our website at www.optimahealth.com/medicare.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us fourteen (14) days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by calling 1-866-603-7514.

Typically, you should expect to receive your prescription drugs within fourteen (14) days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at 1-866-603-7514 or for TTY users, 1-800-828-1140 or 711.
