**J. CERTIFICATION**

**The following section must be signed and dated by the primary applicant and spouse (if applicable).**

I, and my agent (if applicable), hereby certify that I have read, or have had read to me, the completed application; and that I have maintained a copy of the completed application; and that I realize that any false statement or misrepresentation in the application may result in loss of coverage under this policy. I understand that no coverage will be in force until Optima Health determines eligibility for coverage, and notifies me of the first effective date of coverage. I understand that my enclosed premium will be applied to coverage for eligible person(s); and I understand that the premium will be refunded if no persons are eligible for coverage selected and no other coverage is accepted. I also understand that premiums not paid in accordance with this provision, and the terms of the policy, will result in the non-renewal or discontinuance of the policy issued from this application.

I understand that the policy that I am applying for is an individual health insurance policy, and I understand that the policy, if issued, shall not be used as an employer provided healthcare benefit plan. I certify that no employer of any person covered under this policy may pay any premium for this coverage, directly or indirectly, including through wage adjustment. I understand that "employer" does not include a trade or business wholly owned by an individual or individual and spouse that has no other employees or that does not offer health benefits to any other employees. Also, as it pertains to this provision, a church may purchase an individual policy if only purchasing it for one employee.

I understand that coverage is not in force until the effective date shown on the Member ID card issued to me or my dependents. I am applying for health coverage for the persons listed on the application, and I agree that we shall abide by the provisions of coverage in the policy document under which we will be enrolled. I understand that it is my responsibility to report to Optima Health any change in eligibility of myself and my dependents. I agree to provide proof of eligibility that is acceptable to Optima Health if requested.

If a legal representative signs on behalf of the applicant or any other person to be covered, the legal representative's signature constitutes an attestation that the legal representative possesses the authority to sign on behalf of the individual.

**J. CERTIFICATION** *(continued)*

If you or any of your covered dependents are covered by more than one health Plan benefits under your Optima Health plan will be coordinated so that the same health care services don't get paid for twice. When Optima Health is the primary payor, we will pay the benefits described in your coverage policy. When we are the secondary payor, we will determine our allowable charge; and after the primary plan pays, we will pay what is left of our allowance, up to our regular benefit.
