Expedited Appeals – You or your physician may request an expedited appeal where if the Plan were to use its normal appeal procedure for making a decision it would (1) seriously jeopardize the life or health of the Member or the ability of the Member to regain maximum function; or (2) in the opinion of a physician with knowledge of the Member’s medical condition would subject the Member to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim. If you believe you need an expedited appeal, please contact the Appeals Department at 757-687-6404. If your request does not qualify as an expedited appeal, the standard appeal process will apply.
