INFORMATION ONLY

Urgent: Your health coverage is at risk. Take action by December 15, 2017 or you may not have health coverage in 2018. Without health coverage or an exemption, you may have to pay a penalty of \$695 or more when you file your taxes.

Thank you for choosing Optima Health for your healthcare needs. We're here to help you prepare for Open Enrollment.

Why am I getting this letter?

Beginning 2018, we won't offer in your area your current health coverage in the Marketplace. The last day of your current Marketplace coverage is December 31, 2017. Read this letter carefully and review your options.

You can choose a different plan between November 1, 2017–December 15, 2017. **To make sure there isn't a gap in your coverage, and avoid paying a penalty, enroll in a different plan by December 15.**

What you need to do

Review your coverage options and pick a different plan. If you don't have health coverage, you'll have to pay for all of your health care.

If you don't have coverage or an exemption, you may also have to pay a penalty of \$695 or more when you file your taxes.

1. Update your Marketplace application by December 15.

Review your Marketplace application to make sure the information is still current and correct, and to see if you may qualify for more or less financial help in 2018 than you're getting now. This may result in a lower monthly premium payment or lower out-of-pocket costs (like deductibles, copayments, and coinsurance). Plus, you can help avoid paying money back when you file your taxes.

2. Choose a different plan.

Here are some ways to look at other plans and enroll:

- After you've updated your Marketplace application, you'll be able to compare Marketplace plans in your area. You may even see that the Marketplace has picked a plan for you. Consumers who shop can save hundreds of dollars per year. Compare your options and enroll in a plan

that best meets your needs and budget. If you don't enroll in a plan on your own, you may be automatically enrolled in the plan the Marketplace picked for you.

- Check with Optima Health to see what other plans may be available. Remember, you won't get financial help unless you qualify and enroll through the Marketplace.

Note: If you received financial help in 2017 to lower your monthly premium, you'll have to "reconcile" using IRS Form 8962 when you file your federal taxes. This means you'll compare the amount of premium tax credit you received in advance during 2017 with the amount you actually qualify for based on your final 2017 household income and eligibility information. If the amounts are different, this will affect the amount of your refund or taxes owed.
